

OLIVER'S SAFETY SQUAD

CHRISTMAS BOOK!

Oliver wants to peek inside his stocking! He thinks he might be big enough to look by himself, but Safety Pups know not to climb on the fireplace. Oliver stays behind the safety gate — that's how he keeps his tail safe!

**NO OLIVER!
DON'T TOUCH!**

Oliver thinks he hears Santa's sleigh! He REALLY wants to run outside to look, but Safety Pups know never to run outside without a grown up they trust. Christmas magic only shows itself when kids are warm, cozy, and safe inside. That's why the reindeer fly too fast to see!

**NO OLIVER!
STAY!**

Oliver wants to sneak down and catch Santa coming down the chimney! All the grown ups are in bed, and the house is dark. Oliver knows that Safety Pups should stay safe in bed and wait for Christmas magic.

**NO OLIVER!
STAY!**

Oliver hears Santa's reindeer outside! He knows he should be tucked safe in bed, but he wants to see Santa! Safety Pups know Santa's reindeer can only land when kids are fast asleep, so Oliver will close his eyes and get some rest.
